 Northeast Ohio MEDICAL UNIVERSITY	COLLEGE OF GRADUATE STUDIES (COGS) COGS Policy No: 100-5
POLICY TITLE: Repeat Course	EFFECTIVE DATE: 8/5/2014
RESPONSIBLE DEPARTMENT: College of Graduate Studies, Enrollment Services and Registrar	COGS Students

(A) PURPOSE:

To establish the standards for repeating a course in the College of Graduate Studies.

(B) SCOPE:

The scope of this policy includes all students enrolled in any degree or certificate programs in the College of Graduate Studies.

(C) DEFINITIONS

“Core Courses” refers to courses that are required for program completion.

(D) BODY OF POLICY

- (1) Students receiving a grade of less than “C” in a core course must repeat the course and receive at least a “B” in order to receive credit for the course. Core courses may only be repeated once. Grades for both the original and repeated courses will appear on the transcript with repeat courses being noted as such. Both the original and repeated grades are utilized in the calculation of the grade point average. See the College of Graduate Studies Good Standing policy for academic good standing requirements.
