

### Caregiver Project One-Month Survey

**Please indicate your level of agreement with the following statements pertaining to the Family Caregiving session you attended on....**

	Strongly Agree	Agree	Disagree	Strongly Disagree
The program has helped me form stronger relationships with my patients' caregivers.				
The program has given me an appreciation for the valuable insight that caregivers' stories can provide.				
Because of the program I have more meaningful communication with caregivers.				
The program has helped me identify the needs of caregivers.				
Because of the program I feel better prepared to educate and guide caregivers through the caregiving process.				
Because of the program I am more aware of the role of other team members in linking the caregiver with needed resources.				
Because of the program I have a better understanding of the day-to-day challenges of my patients on home care.
