Data current as of Fall Census

BCOD Year 1 to Year 2 Progression Rate by Matriculating Cohort

The visualization below displays the Year 1 to Year 2 Progression Rate (%) for each Matriculating Cohort within the D.D.S program. Data are presented for the one Matriculating Cohort for which Year 1 to Year 2 progression data are currently available.

FIGURE 1: Year 1 to Year 2 Progression Rate (%) for the Most Recent Matriculating Cohort

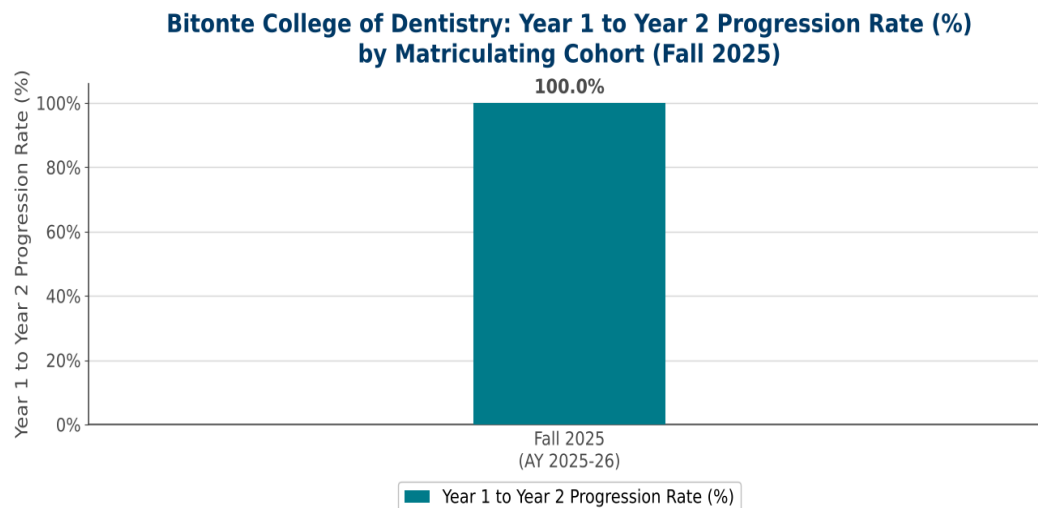

Figure 1: Bitonte College of Dentistry — Year 1 to Year 2 Progression Rate (%) by Matriculating Cohort, Fall 2025 (AY 2025-2026). Total Matriculants, Progressor Counts, and Progression Rates are provided in Table 1.

Key Definitions:

Matriculating Cohort: Includes all First-Time and any Previously Admitted Students officially starting their D.D.S program as of Fall 15-Day (Census) Date.

Year 1 to Year 2 Progression Rate: Based on the number of students belonging to a Matriculating Cohort who successfully advance to Year 2 of the same program as of the Fall 15-Day (Census) Date. The initial Matriculating Cohort Count serves as the denominator.

BCOD Year 1 to Year 2 Progression Data Table

The data table below presents the complete Year 1 to Year 2 progression figures, including total matriculants, underlying Figure 1.

TABLE 1: Year 1 to Year 2 Progression by Matriculating Cohort			
Matriculating Cohort	Total Matriculants	Year 1 to Year 2 Progressors	Year 1 to Year 2 Progression Rate
Fall 2025 (AY 2025-2026)	52	52	100.0%

Table 1: Bitonte College of Dentistry — Year 1 to Year 2 Progression by Matriculating Cohort. The header row identifies each data category. Data rows display the Matriculating Cohort, Total Matriculants, Year 1 to Year 2 Progressors, and Progression Rate for the Fall 2025 (AY 2025-2026) cohort. Alternating row shading is decorative only and does not convey data meaning.
