### Student Affirmations and Acceptance of Terms

By my signature, I acknowledge that Ohio residency—for-tuition—purposes is governed by Ohio Revised Code 3333.31 and Ohio Administrative Code 3333-1-10. I also acknowledge that a false statement on this application will subject me to a nullification of the Ohio resident classification, resulting in the assessment of out-of-state tuition for current and future enrollments and retroactively to the first term of my enrollment under the classification of Ohio-resident—for-tuition—purposes.
