Map of CIT Training Saturation by Law Enforcement Agencies

CIT in Ohio
by Law
Enforcement
Agency
Participation

May 2000 – March 2025

100%	30 Counties
75% - 99%	33 Counties
50% - 74%	17 Counties
17% - 49%	8 Counties

Communities with growth in participation are illustrated with a green border, indicating an increase in law enforcement agency participation within the last two reporting periods.

Preface

This report is a historical record of all professionals trained in the Crisis Intervention Team (CIT) Patrol Officer Training Course, from 2000-2025 and demonstrates the strength of the CIT Model and the Ohio CIT Core Elements.

This section explains the various images, icons, and abbreviations used in this document. The executive summary illustrates aggregate statewide training progress. Following this, the content of this report is then organized alphabetically by Ohio counties and their CIT Program. In Ohio CIT programs generally fall within the organization of Ohio's Association of County Behavioral Health Authorities fifty board areas. CIT training records for communities without an active program, as well as the Ohio Department of Rehabilitation and Correction, are located on the final pages. A CIT program coordinator directory is located at the very end of this report.

CIT Program Peer Review

Along the top of each page are the CIT program county or counties, listed along with the primary CIT Program Coordinator(s). Stepping Up Initiative counties appear in green boxes, otherwise counties appear in blue boxes. Tables within these boxes show law enforcement agencies' sworn officer training counts. Program details and corresponding county training statistics are provided in a narrative below county tables. Sequential Intercept Model (SIM) mapping workshops performed by the Criminal Justice Coordinating Center of Excellence are included in the narrative. For applicable counties, CIT Program Peer Reviews are marked by a gold star with an illuminated outline. Counties who were reviewed outside of their CIT Program have the county indicated under the gold star. At the bottom, a bar graph shows the count of all professions who have taken a CIT Patrol Officer Training Course, regardless of if they were trained while employed at an Ohio Peace Officer Training Commission agency.

This report uses law enforcement agencies listed in the *Active Agencies* section of the Attorney General's Office public records resource¹ pulled March 2024. This list firmly places agencies in one county even if a jurisdiction crosses county lines. Sworn officers' training data are counted in the agency they were employed at the time of their training, not accounting for agency transfers or training outside of their county of employment. Earlier editions of this report showed progress for CIT programs using a running count. In the migration to a comprehensive trainee database, we used original rosters to prove attendance. Subsequently, in some areas, we found higher counts of trained officers left unmatched to rosters in our archives. Those differences are preserved in any applicable law enforcement agency.

Key elements to remember for each county box:

- ✓ Law enforcement agency totals in **red** are those with higher counts of officers left unmatched to rosters in our archives.
- ✓ New or newly participating law enforcement agencies are in **blue text**.
- ✓ Counties are in **blue** boxes,  unless they have made a Stepping Up Initiative commitment in which case they appear in **green** boxes.

Additional Notes on this Report

Please notify us if you see omissions/errors. We do our best to ensure that information is complete, although it is a work in progress.

Professions mentioned in this report:

Sworn Officer	Commissioned to enforce local, state, federal law
Public Safety Telecommunicator	Also known as dispatchers, supervisors of dispatchers
EMS/Fire	EMS-Emergency Medical Service
Probation	Officers who supervise as part of sentencing
Parole	Officers who supervise after a prison sentence
Military	Any U.S. military branch
Court Personnel	Judge, Lawyer, Bailiff, Prosecutor, Court Reporter
Social/Caseworker	Social worker, Case worker, includes supervisors
Corrections Officer	Includes corrections work at any jail-based agency
Protective Services/Security	Private industry, for-hire security roles
Admin/Board Member	Admin-Administrative Role
MH/TX/Counselor	MH-Mental Health, TX-Treatment
RN/DR/Caregiver	RN-Registered Nurse, DR-Doctor
Educator/Instructor	Teachers, professors, course instructors
Faith-based	Clergy, chaplain, pastor
Peer/Liv Exp	Peers, individuals with lived experience including family
Community Responders/MCR	Mobile crisis response, co-responders
Other/Unknown	Other-professions that do not fit into specified categories

Agency references in use:

Air/Transportation	Airports and public transit
County Board	Mental health, developmental disabilities, or substance-use focused board
EMS/Fire/EM	EMS-Emergency Medical Service, EM-Emergency Management
GOVT/Courthouse	GOVT- government entities beyond law enforcement agencies
Hospital/HC/TX Ctr	HC-Healthcare organization, TX Ctr-Treatment Center
Jail/Corrections*	County or city facilities, including community corrections, public and private, *state facility data are on pg. 57
K-12	Kindergarten through high school
Parks/Recreation	Parks-PkD, includes public parks and private amusement parks
Police Department	Abbreviated as PD, local law enforcement agency
Private/NP	Private-citizen or business enterprise, NP-Not for Profit
Sheriff's Office	Abbreviated as CSO, local law enforcement agency
University/College/Academy	University-Univ, includes community colleges, trade schools
Mobile Crisis/Co-Response	Interdisciplinary team providing on-site crisis supports

A Note from the Executive Director

The Crisis Intervention Team (CIT) is a community partnership program with law enforcement, mental health, community, and advocacy partnerships. The CIT model was first developed in Memphis, TN in 1988 and was implemented in two Ohio counties in 2000.

The CIT Core Elements exist to support and guide CIT Programs toward success. The basic goals of a Crisis Intervention Team are to improve officer and consumer safety and redirect individuals with mental illness from the criminal justice system to the health care system.

One core element of CIT is training. The training element of the CIT program is based on the Crisis Intervention Team Patrol Officer Training Course, which educates law enforcement and first responders on how to assist individuals living with mental illness who are experiencing a crisis in the community. This is typically a 40-hour, community-based course designed to increase knowledge and understanding of mental illness, decrease stigma and increase empathy for those with an illness, introduce community resources and partners that can assist in effective responses to community members, and build listening, communication, and de-escalation skills that are effective in encounters with individuals in mental health crises.

Today, all 88 Ohio counties have participated in CIT training, although a handful of counties have not implemented fully operational programs which incorporate additional core elements. Ohio is striving for all communities to have access to effective and specialized law enforcement responses for individuals and families experiencing mental health crises, when such a response is necessary, and for all law enforcement officers to have adequate training and support to best serve community members with mental illness and their families. This report is limited to the training element of our Ohio programs. If you are interested in learning more about CIT, enhancing an existing CIT, or developing a CIT, please contact the Criminal Justice Coordinating Center of Excellence at cjccoe@neomed.edu.

"IF YOU WANT CIT TO LAST IN YOUR COMMUNITY YOU ABSOLUTELY, POSITIVELY NEED A LONG-LASTING PARTNERSHIP BETWEEN LAW ENFORCEMENT, MENTAL HEALTH SERVICES, AND ADVOCACY/CONSUMER GROUPS."

-MICHAEL S. WOODY, RETIRED LIEUTENANT,
FORMER CJ CC_oE LAW ENFORCEMENT LIAISON, AND CIT CHAMPION

Executive Summary

In Ohio, CIT training has equipped thousands of individuals with skills to assist those experiencing mental health crises. Based on training rosters submitted to the CJ CCoE, we can confirm **17,840 sworn personnel** trained in CIT and an additional **9,679 professionals** trained across Ohio's 88 counties and beyond. Ohio's CIT programs have trained a total of **27,519 people**. Of these, 4,775 are personnel trained in the Ohio Department of Rehabilitation and Corrections CIT Program and another 49 individuals who traveled across the globe to attend one of our training courses. According to 2024 Ohio Attorney General's Office records, there are 954 law enforcement agencies; of those **81% (773) have participated in CIT** training, leaving 181 agencies (19%) that have not yet participated in CIT.

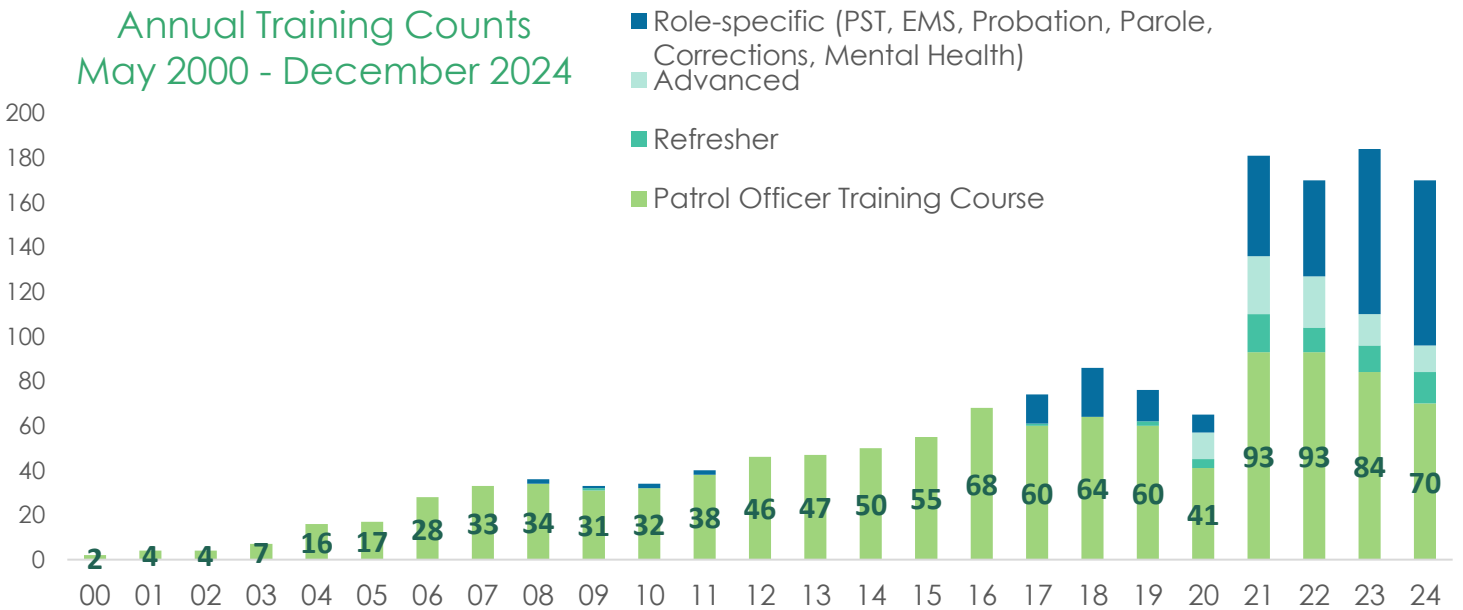

CIT Patrol Officer Training Course Individuals Trained Annually* May 2000 - December 2024

*886 individuals trained in CIT are not shown above. Their training dates are unknown and are not reflected here.

Since May of 2000 through the end of 2024, CIT programs and community partners have held approximately 1,526 CIT training courses. Patrol Officer Training Course numbers are indicated on this graph, all others are shown here as unlabeled sections.

Annual Training Counts May 2000 - December 2024

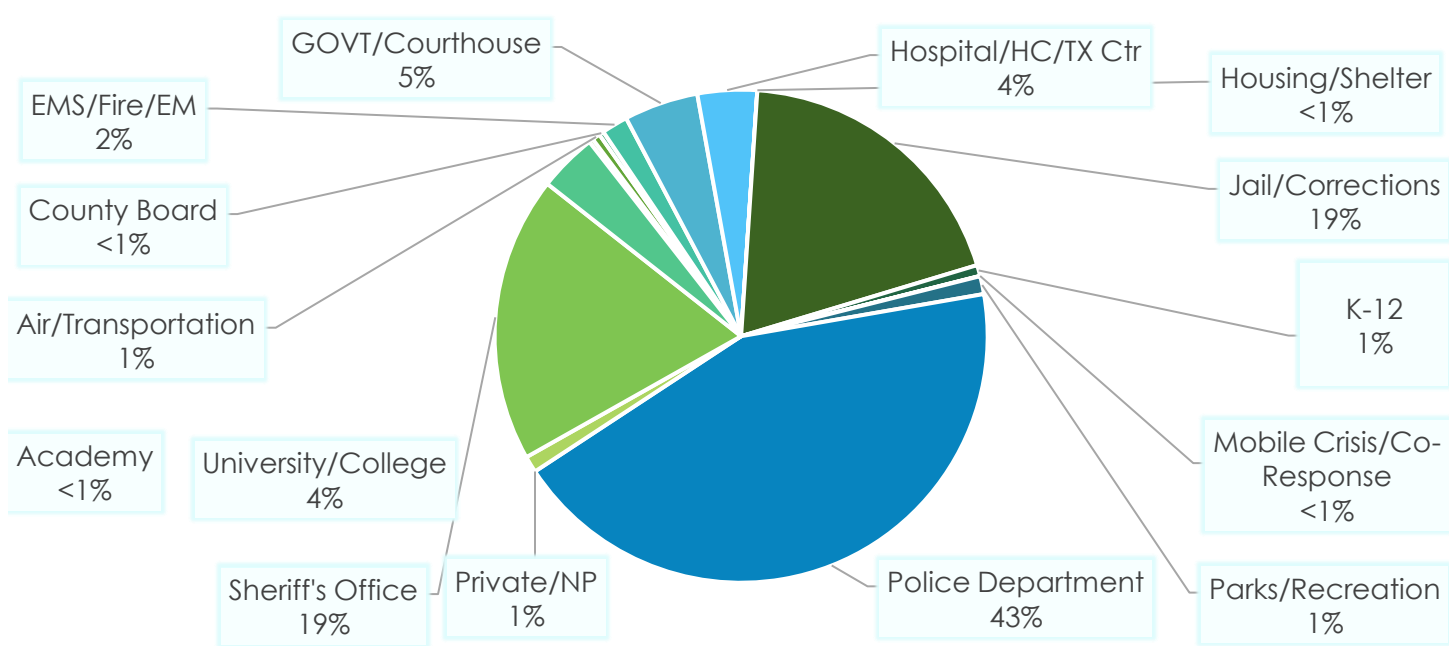

Originally and for a number of years, the primary audience of the CIT Patrol Officer Training Course was law enforcement. As CIT programs have grown and evolved in Ohio, we have witnessed an increase in a variety of professions who value the experience of this training: public safety telecommunicators, emergency medical technicians, and corrections personnel, to name a few. Of all CIT training courses, this is the course most frequently attended, adding to the character and depth of CIT programs by equipping law enforcement with support personnel throughout the community and their local crisis response system. In this growth, we can also see a variety of agency types that participate in training. See charts below.

Participation by Profession May 2000 - March 2025

*Prison-based data for the Ohio Department of Rehabilitation and Corrections is found on page 57.

Participation by Agency Type May 2000 - March 2025

Kalida PD	-		

CIT PARTICIPATION BY PROFESSION

Ohio Department of Rehabilitation & Corrections

CIT Coordination: Joel Nussbaum & Gail DeWolf

The following chart illustrates the number of professionals trained at each one of the ODRC facilities. Participants may include *Sworn Officer, Parole, Social/Caseworker, Corrections Officer, Admin/Board Member, MH/TX/Counselor, RN/DR/Caregiver, Educator/Instructor, and Other/Unknown*. The first bar on the graph shows individuals who did not have a facility specified in their training record. For a comprehensive list of facilities under ODRC visit drc.ohio.gov/about/facilities

Active Sworn Officer Count April 2022

In December of 2021, the CJ CCoE set out to answer questions about CIT training and retention of officers across Ohio's CIT programs, similar to the CJ CCoE 2016 Point-in-Time Count. Without synchronized systems to unify hiring, training, transfer, and separation records, it is challenging to uncover these answers. Given the constraints and like any point-in-time count, this is only a snapshot of active CIT-trained officers as of April 2022.

Through a public records request (PRR) fulfilled by the Ohio Attorney General's Office in April 2022 and the CJ CCoE Ohio CIT Training database (OCIT DB), a formula was used to automatically match officers between data sets. The OCIT DB includes all professions trained, so all names were reviewed (N = 22,651). Matching took place based on multiple variables: full name, suffixes, place of employment, profession, training course(s) completed, and hire date. Verification was necessary to ensure that matches were not false negatives or false positives, and close attention was paid to match common or duplicate names.

Of those sworn officers who took the CIT Patrol Officer Training Course and were found to be active on the Attorney General's Office payroll report for April 2022, the following questions were answered:

How many sworn officers, trained in the CIT Patrol Officer Training Course, were active as of April 2022?

10,690

What is the likeliest retention rate for all officers trained and still active (1/1/2000-4/21/2022)?

10,690 / 14,818 (all trained sworn officers) = **72%**

The 2016 Point-in-Time Count, also conducted by CJ CCoE staff, found the same retention rate of 72% using different methods. For more information on this most recent study or the 2016 Point-in-Time Count, please email us: cjccoe@neomed.edu.
