

College of Medicine

Entering Class Average MCAT Composite Score

	2011-12	2012-13	2013-14	2014-15	2015-16	2016-17	2017-18	2018-19	2019-20	2020-21
2-digit score	28	29	29	29	27	29	29			
3-digit score*						506	506	506	506	506

*Note: In 2015, the AAMC introduced a different version of the Medical College Admission Test (MCAT) with scores reported on a 3-digit scale. During admission cycles 2016 and 2017, medical schools were receiving applications mainly with the new MCAT scores but were still accepting applications with the old MCAT version.
