

University Strategic Plan

Mission	Northeast Ohio Medical University, through education, research and service, improves the health, economy and quality of life of the diverse communities of Northeast Ohio.
Vision	To be the premier community-based interprofessional health sciences university in the United States.
Values	Our values are reflected in the Six Cs of our educational, research and work environment: Competence, Communication, Caring, Curiosity, Character, and Community.

Goal One: Assure Excellence of the Academic Programs

- Ensure optimal educational experience
- Improve faculty compensation and retention
- Support the success of students from disadvantaged backgrounds

Goal Two: Advance High Impact Research

- Enhance research structure; Administer the research enterprise with a primary focus upon the Research Focus Areas
- Strategic recruitment of research faculty
- Cultivate external collaborations
- Expand the REDIZone
- Advance and invest in infrastructure necessary for research

Goal Three: Transform Clinical, University and Community Partnerships

- Redefine relationships with hospital-clinical partners
- Leverage NEOMED's position as academic health center with skill sets of value to clinical partners and supplant the lack of practice plan revenues
- Enhance alumni engagement

Goal Four: Build Institutional Vitality and Sustainability

- Enhance internal operations & efficiency and realign business strategy & innovation
- Advance fundraising
- Initiate and secure sources of revenue
- Develop new programs to enhance College of Graduate Studies enrollment growth
- Increase campus infrastructure to support education, research and administrative operations
