

CONSENT FOR USE OF RECORDING

Training Use

Video recordings may be used to provide feedback to faculty and/or Standardized Patients (SPs) to improve their performance, to help evaluate the teaching process, and for educational presentations related to The Wasson Center. Only those Northeast Ohio Medical University (NEOMED) faculty or staff with legitimate educational needs will have access to these video records.

Confidentiality of Video Records

All video recordings are maintained on a secured network. Firewall protection is maintained according to accepted standards of NEOMED. Access to all video recordings is password protected. Access is routinely provided only to Authorized faculty and staff.

Consent and Waiver:

I hereby consent to be recorded, videotaped or filmed by NEOMED's William G. Wasson, M.D., Center for Clinical Skills Training, Assessment and Scholarship for the purpose of training and education. I understand that The Wasson Center owns all rights to the video recordings.

This consent is valid for the entirety of my graduate education at NEOMED unless or until I later withdraw my consent in writing and submit it to The Wasson Center.

I release the University, its Component Colleges, the Wasson Center and their officers, employees and agents from any and all liability that could arise from the recording of these materials. I understand I will not receive any financial compensation and waive all rights with respect to ownership or publication of the video recordings.

Please check one below:

I do give my consent for my recordings to be used for educational purposes of The Wasson Center.

I do not give my consent for my recordings to be used for educational purposes of The Wasson Center.
