

# College of Medicine (COM): Residency Match Data

Graduating Classes of 2023 through 2025  
Northeast Ohio Medical University | Office of Institutional Research

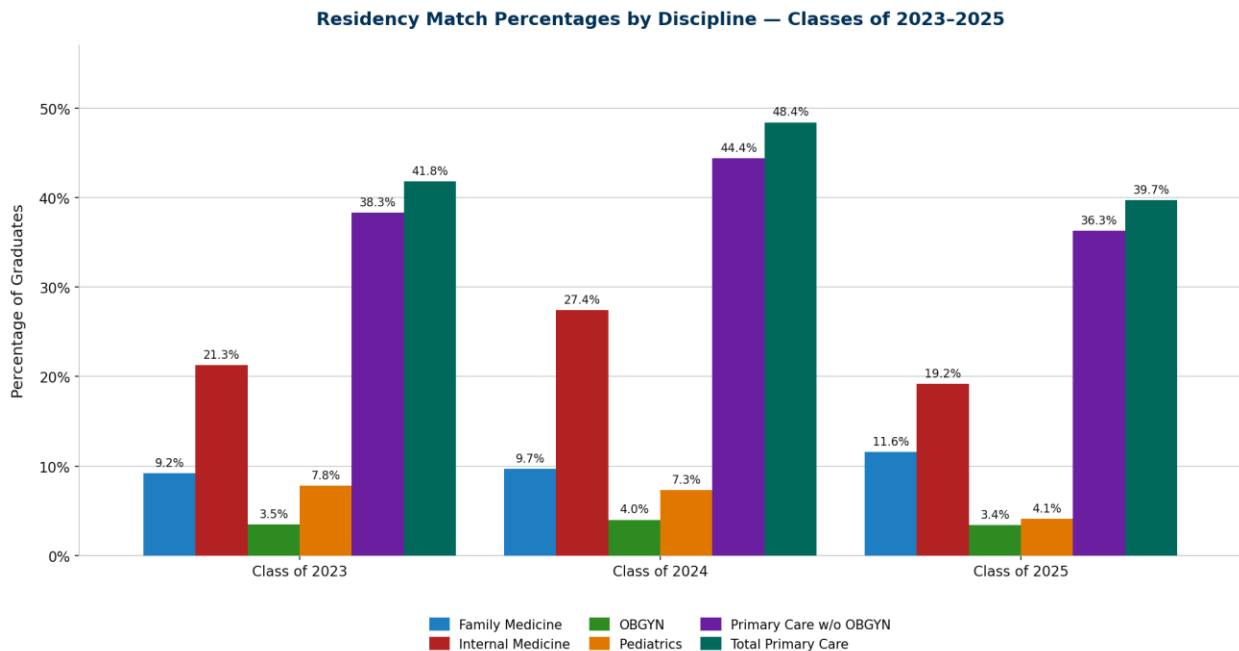

## Introduction

This document presents residency match outcomes for College of Medicine graduates across three consecutive graduating classes (2023–2025). Data are expressed as percentages of graduates who matched into each discipline or category.

## Residency Match Percentages by Discipline

The figure and table below display the percentage of each graduating class that matched into six residency discipline categories. Percentages represent the proportion of students in each graduating class who matched into the noted specialty or grouping.
