COP Year 1 to Year 2 Progression Rate by Matriculating Cohort

The visualization below displays the Year 1 to Year 2 Progression Rate (%) for each Matriculating Cohort within the Pharm.D. program. Data are presented for the five most recent Matriculating Cohorts for which Year 1 to Year 2 progression data are available.

FIGURE 1: Year 1 to Year 2 Progression Rate (%) Over Past 5 Academic Years

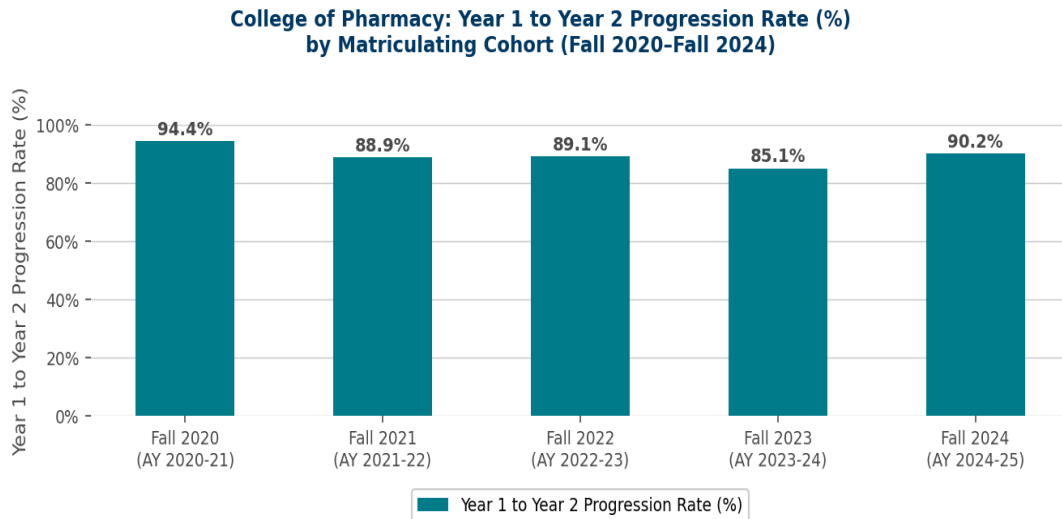

Figure 1: College of Pharmacy — Year 1 to Year 2 Progression Rate (%) by Matriculating Cohort, Fall 2020 (AY 2020-2021) through Fall 2024 (AY 2024-2025). Total Matriculants, Progressor Counts, and Progression Rates are provided in Table 1.

Key Definitions:

Matriculating Cohort: Includes all First-Time and any Previously Admitted Students officially starting their Pharm.D. program as of Fall 15-Day (Census) Date.

Year 1 to Year 2 Progression Rate: Based on the number of students belonging to a Matriculating Cohort who successfully advance to Year 2 of the same program as of the Fall 15-Day (Census) Date. The initial Matriculating Cohort Count serves as the denominator.

COP Year 1 to Year 2 Progression Data Table
