This screenshot shows the top portion of a web application. At the top is a blue header with the Northeast Ohio Medical University logo and the text "TRNG". Below the header, the breadcrumb "Student • Academic Transcript" is visible. The main heading is "Academic Transcript". There are two dropdown menus: "Transcript Level" with a "Select" option and a downward arrow, and "Transcript Type" with a "Select" option and a downward arrow.

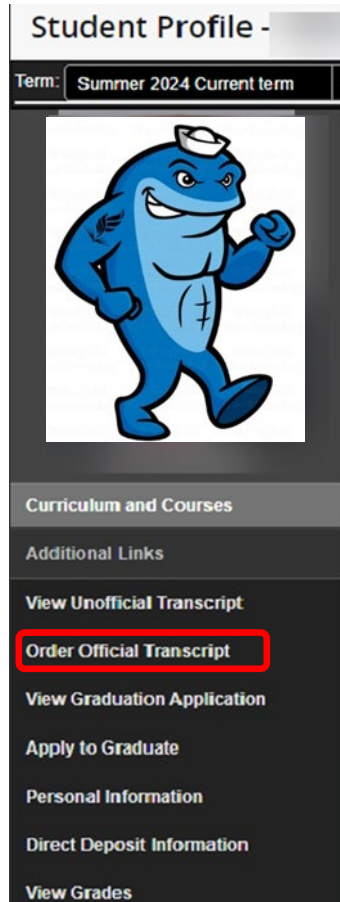

This screenshot shows the same interface as above, but with selections made. The "Transcript Level" dropdown is set to "Professional" and the "Transcript Type" dropdown is set to "Transcript - Unofficial". Below these are three tabs: "Student Information", "Institution Credit", and "Transcript Totals". A "Print" button, represented by a printer icon and the word "Print", is highlighted with a red box. Below the tabs is a light blue information bar with an information icon and the text: "This is not an official transcript. Courses which are in progress may also be included on this transcript." Below this bar is a section titled "Student Information".

Once you have selected the transcript level and transcript type you will be able to print your unofficial transcript.
