OHIO CIT PROGRAM COORDINATOR DIRECTORY	57

# Map of CIT Training Saturation by Law Enforcement Agencies

Progress in communities is illustrated with a **green** border, indicating an increase in law enforcement agency participation within the last two reporting periods.

# Preface

This report is an historic record of all professionals trained in the Crisis Intervention Team (CIT) Patrol Officer Training Course, from 2000-2024 and demonstrates the strength of the core elements and the CIT Model.

This section explains the various illustrations, icons, and abbreviations used in this document. The executive summary illustrates aggregate statewide training progress. Following this, the content of this report is then organized alphabetically by Ohio's fifty Alcohol Drug Addiction and Mental Health Service Board areas with primary CIT Program Coordinator(s) listed on their respective program page. CIT training records for communities without an active program, as well as the Ohio Department of Rehabilitation and Correction, are located on the final pages. A CIT program coordinator directory is located at the very end of this report.

At the top of each program page, for applicable counties, CIT peer reviews and Sequential Intercept Model (SIM) mapping exercises are marked by gold and silver stars. For stars representing SIM, the year of their occurrence corresponds to a color based on the type of mapping (mental health, opiate, or juvenile). See above. Each program page contains law enforcement agencies' training counts, by county, in table format, with corresponding county details in blue boxes. At the bottom, a pie graph shows the proportion of participation by all professions who have taken a CIT Patrol Officer Training Course.

This report uses law enforcement agencies listed in the Active Agencies section of the Attorney General's Office public records resource<sup>1</sup> pulled March 2024. This list firmly places agencies in one county even if a jurisdiction crosses county lines. Sworn officers' training data are counted in the agency they were present at the time of their training, not accounting for agency transfers or training outside of their county of employment. Earlier editions of this report showed progress for CIT programs using a running count. In the migration to a comprehensive trainee database, we used original rosters to prove attendance. Subsequently, in some areas, we found we had higher counts of trained officers left unmatched to rosters in our archives. Those differences are preserved in any applicable law enforcement agency. Other key items:

- Agency totals in red are those with higher counts of officers left unmatched to rosters in our archives.
- New or newly participating law enforcement agencies are in blue.
- Counties with Stepping Up Initiative commitments have their table in green.

# Additional Notes on this Report

Please notify us if you see omissions/errors. We do our best to ensure that information is complete, although it is a constant work in progress.

# Professions mentioned in this report:

Sworn Officer	Any individual who is sworn, regardless of their current position
Public Safety	Also known as dispatchers, includes supervisory roles of
Telecommunicator	dispatchers
EMS/Fire	EMS-Emergency Medical Service
Probation	
Parole	Officers who supervise after a prison sentence
Military	Any U.S. military branch or any local National Guard stations
Judge	
Court Personnel	Lawyer, Bailiff, Prosecutor, Court Reporter
Social/Caseworker	Social worker, Case worker, includes supervisors
Corrections Officer	Includes corrections work at any agency, state or local
Protective Services/Security	Private industry, for-hire security roles
Admin/Board Member	Admin-Administrative Role
MH/TX/Counselor	MH-Mental Health, TX-Treatment
RN/DR/Caregiver	RN-Registered Nurse, DR-Doctor
Educator/Instructor	Teachers, professors, course instructors
Other/Unknown	Other-any professions that do not fit into specified categories

# Agency references in use:

# A Note from the Executive Director

The Crisis Intervention Team (CIT) is a community partnership program with law enforcement, mental health, community, and advocacy partnerships. The CIT model was first developed in Memphis, TN in 1988 and was implemented in two Ohio counties in 2000.

The CIT Core Elements exist to support and guide CIT Programs toward success. The basic goals of a Crisis Intervention Team are to improve officer and consumer safety and redirect individuals with mental illness from the criminal justice system to the health care system.

One core element of CIT is training. The training element of the CIT program is based on the Crisis Intervention Team Patrol Officer Training Course, which educates law enforcement and first responders on how to assist individuals living with mental illness who are experiencing a crisis in the community. This is typically a 40-hour, community-based course designed to increase knowledge and understanding of mental illness, decrease stigma and increase empathy for those with an illness, introduce community resources and partners that can assist in effective responses to community members, and build listening, communication, and de-escalation skills that are effective in encounters with individuals in mental health crises.

Today, all 88 Ohio counties have participated in CIT training, although a handful of counties have not implemented fully operational programs which incorporate additional core elements. Ohio is striving for all communities to have access to effective and specialized law enforcement responses for individuals and families experiencing mental health crises, when such a response is necessary, and for all law enforcement officers to have adequate training and support to best serve community members with mental illness and their families. This report is limited to the training element of our Ohio programs. If you are interested in learning more about CIT, enhancing an existing CIT, or developing a CIT, please contact the Criminal Justice Coordinating Center of Excellence at ciccoe@neomed.edu.

Rul H Snue

"IF YOU WANT CIT TO LAST IN YOUR COMMUNITY YOU ABSOLUTELY, POSITIVELY NEED A LONG-LASTING PARTNERSHIP BETWEEN LAW ENFORCEMENT, MENTAL HEALTH SERVICES, AND ADVOCACY/CONSUMER GROUPS."

-MICHAEL S. WOODY, RETIRED LIEUTENANT, FORMER CJ CCOE LAW ENFORCEMENT LIAISION, AND CIT CHAMPION

# **Executive Summary**

In Ohio, CIT training has equipped thousands of individuals with skills to assist those experiencing mental health crises. Based on training rosters submitted to the CJ CCoE, we can confirm 16,731 sworn personnel trained in CIT and an additional 8,428 professionals trained across Ohio's 88 counties and beyond. Ohio's CIT programs have trained a total of 25,159 people, 49 of whom traveled across the globe to attend one of our training courses. According to 2024 Ohio Attorney General's Office agency records, there are 951 law enforcement agencies; of those 81% (769) participate in CIT training, leaving 182 agencies or 19% that have not yet participated in CIT.

\*829 individuals trained in CIT are not shown above. Their training dates are unknown and are not reflected here.

Since May of 2000 through the end of 2023, CIT programs and community partners have held approximately 1,352 CIT trainings. Patrol Officer Training Course numbers are indicated on this graph, all others are shown here as unlabeled sections.

Originally and for a number of years, the primary audience of the CIT Patrol Officer Training Course was law enforcement. As CIT programs have grown and evolved in Ohio, we have seen an increase in a variety of professions who value the experience of this training: public safety telecommunicators, emergency medical technicians, and corrections personnel, to name a few. Of all CIT training courses, this is the course most frequently attended, adding to the character and depth of CIT programs by equipping law enforcement with support personnel throughout the community and their local crisis response system. In this growth, we can also see a variety of agency types that participate in training. See charts below.

1%

# Active Sworn Officer Count April 2022

In December of 2021, the CJ CCoE set out to answer questions about CIT training and retention of officers across Ohio's CIT programs, similar to the CJ CCoE 2016 Point-in-Time Count. Without synchronized systems to unify hiring, training, transfer, and separation records, it is challenging to uncover these answers. Given the constraints and like any point-in-time count, this is only a snapshot of active CIT trained officers as of April 2022.

Through a public records request (PRR) fulfilled by the Ohio Attorney General's Office in April 2022 and the CJ CCoE Ohio CIT Training database (OCIT DB), a formula was used to automatically match officers between data sets. The OCIT DB includes all professions trained, so all names were reviewed (N = 22,651). Matching took place based on multiple variables: full name, suffixes, place of employment, profession, training course(s) completed, and hire date. Verification was necessary to ensure that matches were not false negatives or false positives, and close attention was paid to match common or duplicate names.

Of those sworn officers who took the CIT Patrol Officer Training Course and were found to be active on the Attorney General's Office payroll report for April 2022, the following questions were answered:

How many sworn officers, trained in the CIT Patrol Officer Training Course, were active as of April 2022? 10,690

What is the likeliest retention rate for all officers trained and still active (1/1/2000-4/21/2022)? 10,690 / 14,818 (all trained sworn officers) = 72%

The 2016 Point-in-Time Count, also conducted by CJ CCoE staff, found the same retention rate of 72% using different methods. For more information on this most recent study or the 2016 Point-in-Time Count, please email us: cjccoe@neomed.edu.

## Ohio Department of Rehabilitation & Corrections

CIT Coordination: Joel Nussbaum & Gail DeWolf

The following chart illustrates the number of professionals trained at each one of the ODRC facilities. Participants may include Sworn Officer, Parole, Social/Caseworker, Corrections Officer, Admin/Board Member, MH/TX/Counselor, RN/DR/Caregiver, Educator/Instructor, and Other/Unknown. The first bar on the graph shows individuals who did not have a facility specified in their training record. For a comprehensive list of facilities under ODRC visit <a href="https://drc.ohio.gov/about/facilities">drc.ohio.gov/about/facilities</a>
