Publishing Agreement

Please complete the following form for all submissions to the Journal of Medical Sciences at NEOMED.

Primary Author Information

Author's Name:	
Article Title:	
Author's Email:	
Author's Telephone:	
Author's Address:	

Declaration

I declare that all co-authors involved in the research are included in the author list and approve submission of the article.

I have only submitted this article to the Journal of Medical Sciences at NEOMED, and it is not published elsewhere.

If human or animal related data is included:

I have the appropriate IRB or IACUC approval associated with my research. Documentation has been provided.

If anonymous patient information is included:

I declare that consent was received from any patient whose case or medical information including images, x-rays etc. is included in the article. The patient completed the Patient Consent Form.

Or

If the Patient Consent Form cannot be completed, I declare that the information in the article is completely anonymous and that the patient or the patient's family members would not be able to identify the patient when reading the article.
