

**Susan Nofziger, M.D.**

Associate Dean for Experiential Education

Susan Nofziger, M.D., the associate dean for experiential education.

Dr. Nofziger provides leadership and oversight of clinical experiential content, development and integration. She supports the M3 and M4 clerkship and elective curriculum to ensure student success and to meet accreditation expectations.

Dr. Nofziger is a clinical associate professor of pediatrics and a pediatric hospitalist at Akron Children's Hospital. Most recently she served as director of M3 clinical experiences. Dr. Nofziger also served as pediatric student clerkship site director and M3/M4 clinical experiential director.

Dr. Nofziger earned her medical degree at Upstate Medical University in Syracuse, New York and trained in pediatrics at Children's Hospital of Pittsburgh.
